

Midland Boxer Club Open Show

13 July 2014

Judge: Robert Vanston – Vandenrob

BIS: Beardsell and Van-Beck's Newlaithe Dooglebug JW

RBIS: Carter's Susancar Honor Wynna JW

BPIS: Huggins Daervlish Holy Joe

My thanks go to all the Officers and Committee members who worked hard to make this a wonderful day, for the excellent lunch and to the exhibitors who kindly brought their dogs for me to judge. I thoroughly enjoyed my day at a relaxed friendly show.

Minor Puppy Dog (1,0)

1. Godwin's Sultash Monbeg Dude a 6 months old dark brindle with pleasing silhouette; good bite for age of puppy; well crested neck, deep chest to elbows at half height; strong pasterns on parallel fore legs; gently curved stifles with well let down hocks; straight top line ending with good tail set.

Puppy Dog (4, 0)

1. Huggins Daervlish Holy Joe, a 10 months old eye catching golden brindle with upstanding profile and good substance whilst retaining elegance. A very pleasing expression from dark well shaped eyes, correct head to muzzle ratio with good width of muzzle and straight wide bite. Lovely deep chest with well sprung ribs. The head topped a long, strong crested neck set on shoulders with good angulation and followed down to parallel strong and straight boned forelegs. The topline flowed straight and smoothly to a bang on tail set, down to rear angulations that balanced those of the fore quarters, with strongly muscled first and second thighs over well let down hocks. On the move, straight going and coming, in profile strode out with great purpose and drive. **BPD, BPIS, RBD**
2. Crooks Maranseen Review'n'Respect for Uftonponds, a mahogany brindle of good size with delightful expression in pleasing head, noticeable forechest, good spring of rib and showing good fore quarter assembly; nicely curved stifle. Moved well.
3. Seeney's Maranseen Equinox
4. Beardsell, Van-Beck and Fieldings Newlaithe The Fugitive

Junior Dog (2, 0)

1. Taylor's Newlaithe Leonardo a 12 months old red with a square head and well placed ears; a very good bite made up from a very wide lower jaw and a straight line of six incisors. The forechest was very proud offering a good foundation for shoulder musculature and good heart and lung room, this followed through to a pleasantly rising underline to the under loin; moved well.
2. Cherry's Cherryforge Botticelli a 16 months old dark brindle of good size, with a deep chest reaching down to elbows at half height. A straight sloping topline to a good tail set, strong straight front legs with sprung pasterns.

Post Graduate Dog (7, 2)

1. Beardsell and Van-Beck's Newlaithe Dooglebug JW, an eye catching powerful upstanding red stallion with a nicely balanced square silhouette and not appearing coarse. A pleasing expression from dark well shaped eyes in a square skull not overdone but with good rise, matched with a correctly proportioned muzzle that had a very wide straight lower jaw. The head set on a strongly muscled crested neck leading to a straight and gently sloping back from withers to croup, ending in a bang on tail set. The forechest was delightfully prominent allowing good musculature to scapula and humerus plenty of heart and lung room in the deep chest. A fore quarter angulation that allowed the dog to stand over his fore feet. The underline was gently curved, rising to the loin where well-muscled quarters took the eye to a good second thigh over short parallel rear pasterns. Moved with power and determination. **BD, BIS**
2. Carter's Susancar Ray Zarbett a pleasing brindle with a good outline, showing style. His dark eyes giving a pleasing expression and set in a square skull with good muzzle proportions. A strong straight topline allowed him to move well with ease.
3. Huggins' Daervlish All Because of You JW
4. Clark and Wearing's Miofrey Top Tip at Clarkenwells
5. Welch's Newlaithe Trojan for Treju

Limit Dog (3, 0)

1. Cobb's Topaully Wizard's Apprentice ShCM, a well-proportioned red dog with good construction, matching front and rear angulation. The depth of chest equalled half the height at withers, short hocks, moved well.
2. Godwin's Sultash Frankel, dark brindle with good expression, nicely crested neck flowing into straight slightly sloping topline with good tail set and well-muscled quarters.
3. Fielding's Newlaithe Fast 'n' Furious
