

Midland Boxer Club Open Show Sunday 18th August 2019

Judge Fiona Neilson – Borestone

I would like to thank the committee for inviting me to judge their open show which was well run and the hospitality was excellent, and to the exhibitors for the quality of the dogs which were exhibited under me. I really enjoyed my day.(Apologies for the lateness of critiques having been eaten alive with beasties at the show I have been getting treated for Lyme's disease)
