

Midland Boxer Club Open Show on Sunday 21st of July 2013

Special Puppy Event (Critique)

Dogs:

6-8 months

Chippendale's – Mylicam Mambo

1st

A six months old male puppy with a warm expression. Dark eyes, good pigmentation. Good teeth and bite. Muzzle could be more. Good bones although the upper arm could be a bit longer. Brisket could be a bit deeper. Good angulation, front could be a bit more expressive. Good top line, good movement.

8-10 months

1st – Huckerby & Dowell's – Striking Out For Norwilbeck Bellchime

An eight months old male puppy with good size, deeply set eyes. Good muzzle, good pigmentation, nice neckline. Good top line, good bottom line with good angulation and movement.

2nd – Godwins Sultash Morpheus

A nine months old male puppy with a clean head, good eyes and pigmentation. Muzzle could be a bit more. Nice neckline, good size with a weak front for the age. Bones could be a bit stronger too for age. Good top line and angulation. Good movement.

10-12 months

1st Beardsell & Van Beck's – Newlaithe Dooglebug

A one year old male puppy with a nice big dark eyes, good pigmentation, good stop, good muzzle. Nice teeth and bite, good neckline. Good size with strong bones. Elbows could be tighter. Good top and bottom line with good movement. Good angulation.

Best Puppy dog, Best Puppy

Bitches:

6-8 months

1st Cobb's Stanryk Lusty Dreams

A six and a half months old puppy bitch with good teeth. Good muzzle and nice expression. Good front for age. Good neckline, good pigmentation. Good size for age, good bones and good angulation. Good top and bottom line. Good movement.

2nd Chippendlae's Mylicam Waltzing Maltilda

A six months old puppy bitch with a warm look. Muzzle could be more. Chin could be wider. Front could be more expressive. Good neckline, tight feet, good top line. Good movement.

8-10 months

1st James – Maromad Stuck on You

An eight and a half months old puppy bitch with nice pigmentation, good teeth. A little bit lack on the muzzle. Good neck line. Good size for age. Upper arm could be longer and the elbows tighter for age. Good top line and good movement.

2nd – Carters – Susancar Honor Wynna

A seven and a half months old puppy bitch with unpigmented eyelids. Chin could be wider. Good neck line. Good tight feet. Front could be more expressive and elbows a bit more tight for age. Good rear angulation and movement.

10-12 months

1st – Huckerby & Dowell's Panabolo Specially for Norwilbeck Bellchime

An eleven and a half months old nice puppy bitch with a nice presence. Good muzzle, good chin, good neck line. Pigmentation on face could be slightly more, but good all round pigmentation. Deeply set small eyes. Good front, nice closed feet, good top line and bottom line. Good angulation front and rear. Good movement.

Best Puppy bitch
