

The Midland Boxer Club Championship Show

Saturday 7<sup>th</sup> February 2015

Bitch Judge Mrs Margot Egeblad

It was a pleasure for me once again to be allowed to judge at The Midland Boxer Club Show, this time the Championship Show.

101 females were enrolled and many of these were of very good quality.

It was surprising for me, that many had very bad teeth, also of the very young dogs.

On average, the angulations front and rear was better than what I normally see in Europe.

At the same time I saw more with very wrinkled and heavy skulls.

But it is always a pleasure to compare breeding from different countries.

I would like to thanks all the exhibitors, that they turned up to show their glorious Boxers for me.

Thanks to the organization for a great job in a wonderful atmosphere and thanks especially to my ring supports Liz Rallings and Graham Mullis to help me through this slightly different sequence of exhibition than I usually am used to.
