

The Midland Boxer Club Open Show - Saturday 30th November 2013

Vikki Van-Beck (Newlaithe) - 33 Entries

I would like to thank The Midland Boxer Club for this appointment, a little disappointed in the entry but understand only too well that everyone is far more conscious with entries these days, such a shame as it is the Clubs who suffer. However, it was a pleasure to assess the dogs present and thank you to all the Exhibitors who attended.

Minor Puppy Dog - 2 Entries

1st - Clayforth's - Casual Affair with Faerdorn, A very square, compact puppy, good angles and topline. He has delightful head, with an evident chin, good mouth and beautiful expression. He is a little loose on his hind movement at the moment but has everything just right for his age - I have everything crossed he matures into a super dog. BPD and Best Puppy In Show.

2nd - Cherry's - Cherryforge Botticelli. Darker brindle & white boy who has a solid, muscular body. He has a kind eye, good stop and chin, straight front, level topline and good quarters. Moved well

Puppy Dog - 2 Entries

1st - Chippendale's - Mylicam Mambo. Golden Brindle & White of 11 months, stands well in profile, has a pleasing head with a good mouth. Level topline, strong hocks just needs to muscle up with maturity

2nd - Wynne-Eyton's - Twrcymru Puttin On The Style. Another Brindle & White who is more compact than 1 but preferred overall construction of the winner. Made his time in the ring hard work for his owner

Junior Dog - 2 Entries, 1 Absentee

1st - Carter's - Susancar Ray Zarbett. Brindle & White 12 months old, very typical for this kennel, square, compact with a balanced head, good mouth and kind eyes. He was a little unsettled today which made him harder to assess - in the challenge he stood four square

Novice Dog - 2 Entries

A difficult class as both dogs have some great qualities and could easily change places

1st - Godwin's - Sultash Morpheus. Brindle & White well off for bone, excellent quarters which he used well on the move. Good straight front and super cat-like feet. Balanced head with an evident chin.

2nd - Hyde's - Rosshill Hot Shot. Brindle & White dog that has a nicely balanced head with a beautiful clean skull, dark expressive eyes, evident chin, melting eyes and super expression. Arched neck into well laid shoulders and strong topline, well muscled and moved with drive. To finish the picture off he needs to be at one with his handler more

Post Graduate Dog - 3 Entries, 1 Absentee

1st - Godwin's - Sultash Frankel. Brindle & White dog who I have admired from ring-side, he is well-made and very well presented. Very typey clean head, good chin, mouth ok, expressive eye, well crested neck, good front, strong topline, super quarters which he used well on the move. Best Dog and Best in Show

2nd - Wragg & Huxley's - Harmaur Blue Collar Trade with Blixen. Brindle & White Dog who I have previously awarded Best Puppy in Show to. Sadly today he was just unsettled until the critique when he stood like a stallion. Very similar to the winner just preferred the cleaner head of my winner

Limit Dog - 2 Entries - 2 Entries

1st - Jones's -Kevanor Federer JW. Brindle & White male who again I have admired from the ringside. He has a good profile, level topline, good front and feet, hammy quarters and strong hocks - he moved the best on the day. He has an elegant head, good mouth and a long crested neck. RBD

He has a good level topline and tail set, good front with and super cat-like feet. He has a super chin, with a well padded muzzle and dark expressive eyes. Once settled with his owner he has good hammy quarters which gave him drive on the move

2nd - Huggins's - Daervlish All Because Of You JW. Brindle & White male who stands his ground and looks every bit the picture. Nice head with a good rise of skull, kind eye and good pigmentation - just preferred the chin of my winner today
